Consumer: State Bar of Arizona

Dear Ms. Rodgers:

The State Bar received information that you may be practicing law in Arizona. A copy of the charge is enclosed for your reference.

We are considering whether a screening investigation is warranted. I am therefore requesting that you provide me with an informal written response addressing the allegations on or before [REDACTED]. In addition to any information you believe may be helpful to me in assessing State Bar of Arizona's allegations, please be certain that your response addresses the following specific issues:

- Please state whether you practice law in Arizona.
- Explain why your law office address is in Arizona.
- Please state whether you have provided legal services to individuals or entities located in Arizona. If so, please explain the nature of those services and when you first began providing those services.

Should you find it necessary to discuss confidential or privileged information in your response, please consider whether you wish to request a protective order pursuant to Rule 70(g), Ariz. R. Sup. Ct.

Please consider this the State Bar's request that you preserve all information relevant to State Bar of Arizona's allegations or that is likely to lead to discovery of relevant information, regardless of its location, form or medium. Please preserve all information until this matter is concluded. You may wish to suspend any automatic or routine deletion procedures if information relating to this matter and/or client is maintained electronically.

If you have questions about this request please contact me at the number above. I will expect to receive your written response in my office no later than [REDACTED]. Thank you for your anticipated cooperation.

Sincerely,
